THE MINISTRY OF PROPHECY

In this study that began two months ago, we have learned through the scriptures that Prophecy is one of the Gifts of the Spirit.

The Gift of Prophecy is to be coveted, desired and prayed for. The Word encourages all that are spirit-filled to seek to prophesy.

We believe that we are in the "last days," and therefore the Sons and Daughters are rising up to Prophecy. People desperately need to hear a word from the Lord. We need to be encouraged, we need direction, and we need revelation knowledge. We are told to "Hear what the Spirit saith."

We know that God speaks to ~ and through His people. He's looking anointed servants that He can trust to speak through.

PROPHET'S REWARD

Be careful discussing the flow of the prophetic with people that don't believe it, or understand it. They may, in ignorance, speak against the man or woman of God. Study 1 Chronicles 16:22-29

How can we "touch" the anointed - and do Prophets harm?

Pray that you will have eyes to see and ears to hear.

I Pray that God will use You in a special way!
